Carlos Pagán

A) Add Metropics Radio to Sonos from your Mac or PC

1. Open the Sonos app on your Mac or PC
2. Click on the **Manage** menu
3. Click on **Add Radio Station**

Figure 1

This will open the **Add Radio Station** dialogue box

Figure 2

4. Copy and paste the following into the **Streaming URL** field
`http://streaming.live365.com/a56368?!` (the last character is a lower case L)
5. Enter **Metropics Radio** into the **Station Name** field
6. Click **OK**

Metropics Radio is now added to your Sonos system. It will also appear in the Sonos app on your phone or tablet.

B) Add Metropics Radio to Sonos from your phone or tablet

If you added Metropics Radio to Sonos from your Mac or PC, you do **not** need to add it again from your phone or tablet. This section is for listeners who only interface with Sonos using their phone or tablet.

1. Open the Sonos app on your phone or tablet (Apple or Android)
2. Tap the **Music Source** icon 🎵 This will open the **Browse** list
3. Tap on **TuneIn** This will open the **TuneIn** list
If you do not have **TuneIn** in the **Browse** list go to **Section E** below for instruction on how to add the **TuneIn** radio service to your Sonos system.
4. Tap on **My Radio Stations** This will open the **My Radio Stations** list
5. Tap the Ellipsis (...) to the right of the **My Radio Stations** title
This will open a dialogue box with an option to **Add New Radio Station**
6. Tap **Add New Radio Station** This will open a dialogue box to **Add a Radio Station**
7. Enter the **Streaming URL** and **Metropics Radio** as the **Station Name**
Refer to **Steps 4** and **5** on the previous page
8. Tap **OK**

Metropics Radio is now added to your Sonos system. It will also appear in the Sonos app on your Mac or PC.

Figure 3

C) Play Metropics Radio on Sonos System

1. Open the Sonos app on your Mac, PC or phone
2. Click on **TuneIn** in the **Select a Music Source** list

Figure 4

3. Click on **My Radio Stations** in the **TuneIn** list

Figure 5

4. Double click on **Metropics Radio** in the **My Radio Stations** list

Optionally, you can click on the down arrow to the right of **Metropics Radio** and then click on **Play Now** in the dialogue box that appears.

D) Add Metropics Radio to Sonos Favorites List

1. Open the Sonos app on your Mac, PC or phone
2. Click on **TuneIn** in the **Select a Music Source** list
Refer to **Figure 4** above.
3. Click on **My Radio Stations** in the **TuneIn** list
Refer to **Figure 5** above
4. Right click on **Metropics Radio** in the **My Radio Stations** list
or click on down arrow to the right of **Metropics Radio**
Refer to **Figure 6** above.
This will open a dialogue box
5. Click on **Add to Sonos Favorites**

Figure 7

6. **Metropics Radio** will now appear in both the **My Radio Stations** list and the **Sonos Favorites** list. Depending upon the number of stations in each of these lists, it will be quicker to find Metropics Radio in one of the two lists.

Refer to **Figure 6** above to see **Metropics Radio** in the **My Radio Stations** list.

Below is a view of **Metropics Radio** in the **Sonos Favorites** list.

E) Adding Tunein Radio Service to Your Sonos System

If you were trying to add **Metropics Radio** to your Sonos system by following the instructions in **Section B** above and you could not find **Tunein** in the **Music Source (🎵) Browse** list then this section will instruct you on how to add **Tunein** to your Sonos **Music Source (🎵) Browse** list. Then you can go back to **Section B** and finish adding **Metropics Radio**.

1. In Sonos tap the **Settings** icon  This will open the **Settings** options list
2. Tap on **Services & Voice** This will open a screen with **Voice** and **Music & Content**
3. Scroll to the bottom of the **Music & Content** list
4. Tap on **+ Add a Service** This will open a list of **Add Music Services**
5. Scroll down to **Tunein** and tap on it This will open **Add Service** for **Tunein**
6. Tap **Add to Sonos** This will open **Add Tunein**
7. Tap **Set up Tunein** This will open **Setup Complete**
8. Tap **Done** **Tunein** is now added to your **Music Source (🎵) Browse** list

Now you can go back to the instructions in **Section B** and finish adding **Metropics Radio** to your Sonos system.
